Patron host Thank You reception for Volunteers of The RMA – The Royal Marines Charity

Last night we were proud to host The RMA - The Royal Marines Charity fundraising team members and volunteers for a Thank You reception at Patron Capital's London office.

Volunteers from the Royal Marines community, including ex-serving Veterans gathered with members of the fundraising team on Thursday evening, as a Thank You for all their hard work raising essential funds for The Royal Marines Charity.

The Royal Marines Charity are uniquely placed to understand, respond and react, enabling Marines and their families to overcome their challenges, from life-changing injury or limiting illness, to mental disability, transition to civilian life and even poverty. They target support to ensure no one is left behind. We are thankful to appreciate the volunteers that give their time for such an important cause to our country.

Thank You from all at The Royal Marines Charity and Patron Capital.
