

Pedro Barcelo Competes in Ironman Barcelona

A massive congratulations to Pedro Barcelo, Head of Spain, for completing the Ironman 70.3 in Barcelona last week. Completing the gruelling task in 06:34:50. This epic challenge consists of a one-loop swim in the Mediterranean Sea that starts and finishes on the beach of Calella. A 90 km bike ride that heads inland on closed roads before returning to a transition area on the beach finishing with a two-loop run along the coast to a turnaround at Pineda.
