## Patron sponsor the 2<sup>nd</sup> Royal Marines Challenge Wandsworth event with Powerleague and Be Military Fit (BMF)

We were delighted to sponsor the 2nd **Challenge Wandsworth**; this youth engagement initiative is comprised of exciting activities, demonstrations and sport at an all-day event. Hosted by the commanding officer of the RM base in Wandsworth, Challenge Wandsworth was an action-packed afternoon aimed at engaging with local youths from nearby secondary schools to inspire and encourage them to keep fit and to be inspired to reach their full potential.

Patron sponsored prizes and lunch for the event, and the activities on offer on the day were:

- Fire Fighter Drills with The London Fire Brigade;
- Unarmed combat & climbing – with the Royal Marines
- Food/nutrition and cookery – with the Royal Navy
- Be Military Fit – boxing and timed race over military style assault course;
- Rugby with the Harlequins

It was a brilliant day and loads of fun for everyone in attendance!

**#CHALLENGEWANDSWORTH**

Denise from Patron, explaining to the Mayors of Wandsworth, Merton and Kingston the work and sponsorships that Patron Charitable Initiatives are involved in.
