During the holiday season, our thoughts turn gratefully to those who have made our success possible. It is in this spirit that we say thank you and best wishes for the Holidays and New Year.

As we look back upon the past year, we would like to acknowledge those who have helped us shape our business and to also reflect on the charitable greatness we have been part of, making monumental differences to the lives of people across the UK and beyond. Key highlights include:

(i) Supporting The RMA – Royal Marines Charity to be able to assist with 605 welfare cases and raise over £1.4million combined across community fundraising and numerous events;
(ii) Helping the Princes Teaching Institute to reach over 4,500 teachers, with over 475,000 children benefiting from a richer subject experience and embracing higher ambition, at a cost of £2.90 per pupil;
(iii) Supporting Rock 2 Recovery, a charity helping save the lives of those suffering with PTSD, who have conducted 288 sessions to those in need, at our very own Patron Offices, split between 68 clients; and
(iv) Continuing our strong charitable partnerships such as Career Ready who help thousands of young adults shape their future, Work Avenue who help provide people with essential lifelong skills to support themselves and their families and the creation of the WISH Fund with Resonance Capital and Big Society Capital which is the world’s first gender-lens property fund to support women experiencing or at risk of homelessness.

Thank you for joining us on our journey to leave a legacy of change and help turn every day into a better way.

All of us at Patron Capital wish you and those who are special to you a happy Holidays.

Some of our proudest moments are:

• Being the main sponsor for the 4th year of The RMA – Royal Marines Charity Guildhall Dinner, helping raise over £800,000 for vital funds going to serving and ex-serving Royal Marines who help preserve our safety and serve our country.
