Patron Capital shortlisted in two categories at UK Pensions Awards 2022

Patron Capital, the pan-European institutional investor focused on property-backed investments, has been shortlisted at the Professional Pensions UK Pensions Awards in two categories: Real Estate Manager of the Year and Impact Manager of the Year, for its Women in Safe Homes fund.

The UK Pensions Awards shine a light on excellence in the pensions sector, and remain one of the industry's most prestigious accolades. The Real Estate Manager of the Year category reflects Patron's stellar performance in the twelve months leading up to the awards. With impressive, opportunistic acquisitions, several highly profitable exits - including the sale of 100% of its share capital in Vine Acquisitions Limited, known as Punch Pubs, to Fortress Investment Group - and continued efforts to support charitable causes, Patron has had an exceptionally strong year.

The Women in Safe Homes fund has earned Patron a place on the shortlist for Impact Manager of the Year. Set up and managed in collaboration with social impact investment company, Resonance, the Women in Safe Homes fund is believed to be the world's first gender-lens property fund, created as a solution to the lack of affordable, safe and secure homes for women who are experiencing or are at risk of homelessness.

The UK Pensions Awards will be held on 30 June 2022 at Hilton Park Lane, London.

Keith Breslauer, Managing Director of Patron Capital, said: *"It is an honour to receive this double shortlisting at the UK Pensions Awards. Patron has had an extremely strong year and our shortlisting for Real Estate Manager of the Year is testament to that. Similarly, the success of Women in Safe Homes fund is the result of the team's dedication and hard work; we have delivered a fund that promises strong returns whilst also making a real difference to the women who need it most. Congratulations to all the other finalists and I look forward to finding out the winners in June."*
